

# Hematology Rotation Assessment

---

On a scale of 1 to 5, with 1 Unsatisfactory, 2 Poor, 3 Fair, 4 Good, 5 Excellent what is your opinion about the following in terms of their quality and value to help you achieve your objectives:

	1	2	3	4	5
The value of the Orientation Package					
The Orientation Session					
Clinical Teaching					
Academic Discussion					
Journal Club					
Out patients Clinic					
Morphology sessions					

1. Do you think that the hematology staff physicians helped you achieve your goals and objectives?
2. Did you have appropriate and clear explanations to your questions from the hematology staff physicians?
3. Do you think that you had enough time to grasp the clinical basics in hematology?
4. What are the areas that you think we need to improve on or include in the hematology rotation?
